# The World Of Eric Carle

Eric Carle is one of the foremost creators of children's books with total worldwide sales of over 145 million copies. His much-loved classic The Very Hungry Caterpillar has sold over 50 million copies and has been translated into over 60 languages. Eric's philosophy is "books to play with, toys to read," and all of his titles make learning fun with their bold colours, vivid characters, and celebration of the natural world.
