

Working with the world's leading organisations
to generate growth and spark creative thinking
at the heart of business.

VIRTUAL EVENTS

The current landscape

2

At **Penguin Connect** we bring together the expertise and insights of Penguin's world-class authors who challenge how we think and what we do.

In a time of unprecedented change it is more important than ever for businesses to be equipped with the latest learning and expert ideas.

Penguin Connect events

3

Virtual events with leading experts. 

Topics are tailor-made for success in the current climate and for planning a bright future.

Prices include an **audiobook for every attendee.**

Virtual events available include:

4

Alex Pang
How to reimagine the future of work

Alex Soojung-Kim Pang, PhD, is a Silicon Valley based futurist who has worked with governments and Fortune 500 companies. He has spoken at venues from the CIA's HQ to Googleplex and has held positions at both Stanford and Oxford Universities.

Dr Rangan Chatterjee
How to build and maintain personal resilience

Dr Rangan Chatterjee is regarded as one of the UK's most influential doctors. A GP for over 20 years and resident BBC Breakfast doctor, Dr Chatterjee inspires people to transform their health through small, sustainable lifestyle changes.

Helen Tupper and Sarah Ellis
How to develop your career, from a distance

Helen Tupper and Sarah Ellis are the founders of the award-winning career development company, Amazing If. They are experts in guiding people to develop their career in today's unpredictable job market.

Afua Hirsch
How to build an inclusive society

Afua Hirsch is a writer, journalist, broadcaster and former barrister. She is a columnist for the Guardian, and appears regularly on the BBC, Sky News and CNN.

Roman Krznaric
How to be a good ancestor

Roman Krznaric is a social philosopher and founding faculty member of The School of Life. He was named 'one of Britain's leading popular philosophers' by The Observer and has shared his ideas everywhere, from prisons to Google.

Bernardine Evaristo
How to navigate creative projects

Bernardine Evaristo is an award-winning author and the first black woman to win the Booker Prize. She is professor of creative writing at Brunel University and a fellow of the Royal Society of Literature.

Penguin Random House is the world's leading publisher, with unrivalled access to authors. Please get in touch if you wish to book different authors.

Who we work with

5

Since 2017, Penguin Connect events have led to connections between tens of thousands of employees and our expert authors.
