Penguin Random House Children’s is the UK’s leading publisher of the most imaginative and innovative children’s books today. There’s something for every child, no matter who they are or why they want to read. Whether it’s for fun, or to discover more of the world and people around them.

Like Rockett from Nathan Bryon and Dapo Adeola’s award-winning series Look Up! we want children to be able to reach for the stars with their reading potential.

We are proud to publish diverse and inclusive authors and characters in our blockbuster brands, household names and favourite classics.

From Peppa Pig to Karen McManus, Diary of a Wimpy Kid, Sabina Radeva, Roald Dahl, Rick Riordan, Vashti Harrison, The Very Hungry Caterpillar, Adam Kay, Stephen Hawking and Peter Rabbit, Penguin Random House Children’s has it all.
